2014-15

PISCATAWAY TOWNSHIP RESIDENTS . . .

If you are interested in becoming more actively involved in the operations of our schools, please review the information and complete the form below. The Board of Education is looking for assistance from all member of the community who have an expertise in areas directly related to the school system. Committees are comprised of elected members of the Board of Education, school personnel, parents, other residents, and members of the business community.

Listed below is a brief description of each committee and its function. Community members serve for a one-year term and need to reapply each school year. All committees are advisory and report to the Board of Education. Committees vote on their recommendations to the Board, but it is the Board who takes final, formal action.

Community Relations: Creates and executes initiatives to improve public support and awareness of educational opportunities.

Curriculum and Programs: Reviews curriculum, texts, and programs in order to recommend Board adoption, carefully considering the issues and research related to the education of all children.

Fiscal Planning and Operations: Ensures resources are allocated and utilized in accordance with the Board's short and long term educational and operational goals and objectives.

Legislative/Policy: Develops and revises board policies as mandated by law or required for the daily operation of the district. Efforts include addressing issues with public officials, assisting at community events, and initiating activities that strengthen communications among all segments of the community.

School Culture and Climate: Assist school and district with culture and climate initiatives that will benefit the entire Piscataway community. Efforts will include beautification projects and programs that will promote positive educational environments.
