EMERGENCY CLOSING WHILE SCHOOL IS IN SESSION:

When unexpected emergencies such as snow storms, severe flooding, or water main breaks make it necessary to close school early, the district will send an automated phone message and post important updates on the district's website, Facebook page and Twitter feed.

High School and Middle Schools: Pupils will be dismissed and bus transportation will be available for pupils normally eligible for this service.

Elementary Schools: Students will be dismissed in accordance with the parental authorization provided on the "Dismissal Release" form, found in packets distributed on the first day of school and online in each school's *Virtual Backpack*. Bus transportation will be provided for eligible students.

Children's Corner: For early dismissals, preschool parents will be notified by an automated phone message. Bus transportation will be provided for eligible students.

After School Extended Care: After Care Program Centers are unaffected, and continue to operate from school dismissal until 6 p.m.

DELAYED OPENING (2 HOUR DELAY):

When hazardous road conditions such as snow or ice affect morning travel, school openings may be delayed for two hours beyond the regular schedule. Delayed openings give school staff and the Township's Road Department time to clear roads, walkways and parking lots, allowing for safe travel to school.

Delayed opening information is posted on the district website, Facebook page and Twitter feed, and families will receive an automated phone message. Students normally transported by bus should be at their designated stop two hours later than their usual departure time.

Before School Child Care operates from 8:30 a.m. until school begins. This service is only available to those enrolled in the program.

After School Extended Care operates as usual.
