Creative Corner

The Art of Being Crafty!

WHY YOU'LL LOVE IT

Young budding artists will engage with shape, color, pattern and culture, while exploring the various aspects of arts & crafts media. Children will develop new skills and experiences, while designing unique creations using a variety of art media and not-so-traditional materials. Art is not only about painting or skills training, it's full of imagination and creation!

STEM Programs - Spring 2024

LEGO® Robotics and Coding - Adventures

Grades 1 - 3

Saturdays, 9:00 am - 10:00 am
Dates - 4/13, 4/20, 4/27, 5/4, 5/11, 5/18

This program focuses on coding and robotics as it introduces students to the engineering design process using LEGO® Spike Essential Education Robotics Construction Sets. Children will work in pairs building models. They will define problems, brainstorm solutions, and test their prototypes to improve their ideas. Children will gain confidence and understanding as they build and explore their construction projects.

LEGO® Robotics and Coding with Scratch MIT - On the Go

Grades 3 - 5

Saturdays, 10:00 am - 11:00 am
Dates - 4/13, 4/20, 4/27, 5/4, 5/11, 5/18

This fun and interactive program explores many aspects of STEM using LEGO® Essential Education Robotics Construction Sets. Students will work in pairs to build prototypes as they learn the engineering design process. They will then code their designs to perform various tasks and functions. Children will gain confidence and understanding as they build and explore their construction projects.

Robotics and Coding with mBot Robot

Grades 3 - 5

Saturdays, 11:00 am - 12:00 pm
Dates - 4/13, 4/20, 4/27, 5/4, 5/11, 5/18

Young engineers will discover the basics of coding and robotics as they learn how to program the mBot robot to complete a variety of tasks. This fun and interactive program will have them track (and probably chase) their mBots to go through a maze and to sing, while building and expanding their coding skills. Along the way, they'll develop their troubleshooting and problem solving skills, as well.

\$185/student
